optima series

For more than 20 years, Pivotech has produced a range of shower enclosures that have set the standard for craftsmanship and value for money. Optima shower enclosures are designed with the versatility to adapt to numerous applications and configurations, combined with the ease of installation and quality of components that our customers rely on. Elegance without compromise – designed simplicity.

optima - 90° with panel

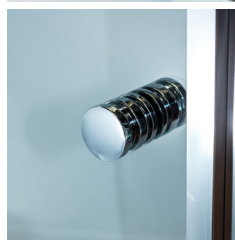

The Optima series is the perfect shower enclosure for the budget-conscious or DIY builder. It provides Pivotech quality in a flexible, off-the-shelf design.

features

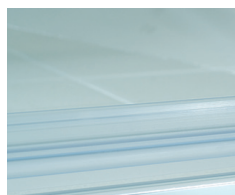

pivot patch fitting

Elegant and unobtrusive door pivots are colour matched to co-ordinate with the frame. Stainless steel hinge pins are designed to give a lifetime of trouble-free use.

finger pull handle

Ergonomic and unobtrusive, the finger pull handle complements the Optima enclosure perfectly.

splash guard

The clear splash guard directs water back into the shower area.
